DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

The reply filed on 08/05/98 is not fully responsive to the prior Office action of a Notice to File Missing Parts because of the following omission(s) or matter(s): The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

For example, on page 1, it does not state that the person making the oath or declaration has reviewed and understands the contents of the specification, *including the claims, as amended by any amendment specifically referred to in the oath or declaration*. On page 3, it is not clear what constitutes a post office address or residence for each inventor. It also does not identify the citizenship of each inventor. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Robert Hayes whose telephone number is (703) 305-3132. The examiner can normally be reached on Monday through Thursday, and alternate Fridays, from 8:30 AM to 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anthony Caputa, can be reached on (703) 308-3995. The fax phone number for this Group is (703) 308-4242.
